The image displays three sequential screenshots of the '普通高中选课系统' (General High School Course Selection System) interface for '大连市普通高中创新实践学校' (Dalian City General High School Innovation Practice School).

**Left Screenshot:** Shows the '开始选课' (Start Course Selection) button. Below it, a '课程介绍' (Course Introduction) section displays a grid of course categories: 测试专业 (Test Major), 电控 (Electrical Control), 机器人 (Robotics), 3D, 传统 (Traditional), 服饰 (Fashion), 配饰 (Accessories), 工程技术 (Engineering Technology), 生物 (Biology), 化学 (Chemistry), 物理 (Physics), 视觉 (Visual).

**Middle Screenshot:** Shows a list of courses with radio buttons for selection. The '家政' (Home Economics) course is selected, indicated by a filled radio button. A message at the bottom states: '已选择: 家政 请注意, 确认提交选课后, 不可更改。' (Already selected: Home Economics. Please note, after confirming submission of course selection, it cannot be changed.)

**Right Screenshot:** Shows the '我的选课' (My Course Selection) section, where '家政' (Home Economics) is listed as the selected course. A '确认选课' (Confirm Course Selection) button is visible at the bottom.
